## SUPERINTENDENT'S REPORT

There is little that is new or of unusual interest to report in connection with the schools. Miss Trickey continues as Principal of the Grammar School. Miss Thurston resigned from the primary school and her place was taken by Miss Bernice Osgood, a graduate of Plymouth Normal School. Miss Lena LaPierre, also a graduate of Plymouth, is teaching a school of six pupils at Dundee. So far this year the attendance at Dundee has been excellent and the pupils have made good progress.

In the village school there has been considerable sickness. As colds and other ailments are carried from one pupil to another, it would seem wise for every parent to make sure before sending their children to school in the morning, that they have nothing about them which would be a menace to others in the school. Teachers and the nurse will do their utmost to protect the health of the school, but little can be done unless the parent accepts his share of the responsibility.

Respectfully submitted,

JOHN H. FULLER.
